Thank you , volunteers, for your continued service in the Liturgical Ministry at Holy Name. Following the latest training of Altar Servers, we have more servers who want to serve at the 10:30 Mass. Please be aware that it will not be possible to schedule everyone over a 2 or even 4 month schedule. We are trying to be respectful and keep families together as well as honor requests for weekends unavailable. Please be considerate in following the schedule, finding your own subs and notifying the office or Sacristan on duty when you are not able to come. Please step up to volunteer to fill a spot for a no-show.
